## **CLEAN OUT THE TOY BOX AND CLOSET**

*NOW ? ...you must be joking!*

It's the Holidays.....wonderful but often hectic. As parents, our "to do" list grows longer even as our time and resources shrink. *So, what better time for multi-tasking?*

**Project Playroom**, Monterey County's new toy and equipment lending library for special needs children and young adults is accepting new and gently used toys.

### **WE NEED YOUR USED TOYS**

Your donation can be one simple act resulting in *multiple positive benefits!* Here are just a few good reasons to gather up those unwanted, unused or outgrown toys *right now:*

- 1- **Free pick up of your donation.** (*Toys will be screened by professionals to determine their usability as a lending library item or resell them using the proceeds to benefit Project Playroom*)
- 2- **Children are more willing to help you** (*thanks to seasonal encouragements such as "Santa is watching" and "let's make room for new toys"*)
- 3- **One less chore** (*when the holidays are over*)
- 4- **Teach the importance of giving** (*by inviting your child to participate in the donation choices so they can experience the joy of helping others*)
- 5- **Project Playroom** (*will be able to provide the tools for special needs children and young adults*)

**So please...it just takes a moment and will make such a difference!**
